 <p>A screenshot of the 'Playing Partners' page. It features a search bar labeled 'Search Member Name' and a 'Search Club Members' button. Below the search bar, there is a section titled 'Current Playing Partners' which contains a list of names (Jean Goffer, John Doe) and several 'REMOVE' buttons next to them.</p>	<p>You can search for a member by First name or Last name.</p> <p>Your present playing partners are shown in the list.</p>
 <p>A screenshot of a dialog box titled 'CHOOSE CLUB MEMBERS'. It contains the instruction 'Choose the club members you would like to have as your playing partners.' Below this is a list of names: Ed Duesnard, ED GREENGRASS, ED HENRY, ED LAVIOLETTE, JACK EDMUNDS, and Steve Edgely. Each name has a small square checkbox to its left. At the bottom of the dialog are 'Save' and 'Cancel' buttons.</p>	<p>Just select the person from the list by putting a check mark beside their name.</p> <p>Use this option to pre-select all your playing partners. This will save time instead of looking up your playing partners when you are booking Tee Times.</p> <p>It will also send them an email alerting them you have booked a Tee time.</p>
