2025 Stay and Play Packages

The Prescott Golf Club is a beautiful tree lined 18 hole course established in 1939 and is located in the tranquil town of Prescott, along the shores of the St. Lawrence River. Prescott is centrally located, only a 1 hour drive from Ottawa, Kingston and Cornwall. The course is known for its fantastic conditions and for having fast, sloped greens. Enjoy a cold beverage and a fantastic meal after your round at **Madison's by Renegadz**, located in the clubhouse. Our course also has 2 practice greens and a driving range.
